Subject: Celebrating 250 Years of the American Dream

Dear Partners and Members,

This week marks a truly historic milestone—the 250th anniversary of the United States of America. On this landmark Fourth of July, we join millions across Lebanon, the United States and around the globe in celebrating two and a half centuries of independence, democracy, and unyielding opportunity.

For the Lebanese American Business Council, this milestone holds profound meaning. The history of the Lebanese diaspora in America is a story deeply intertwined with the American dream itself. Drawn by the promise of liberty and equal opportunity, generations of Lebanese immigrants brought with them a fierce work ethic, a rich cultural heritage, and an instinct for commerce and community building.

From local storefronts to multinational corporations, our members and partners have continuously driven innovation, created jobs, and strengthened the bilateral economic bonds that enrich both the United States and Lebanon.

The U.S. Semi quincentennial is not just a time to reflect on a proud past, but an invitation to shape the future. As we look ahead, our Council remains dedicated to empowering the next generation of business leaders, cultivating cross-cultural collaboration, and ensuring that the spirit of enterprise continues to thrive for the next 250 years.

Thank you for your continued partnership, your resilience, and your shared vision. We wish you, your families, and your businesses a joyful, safe, and historic Independence Day.
